MINI CAMPERS Ages 3 to 5

We provide children with a nurturing environment which allows the imagination to unfold. The day is balanced between time spent indoors and out, including time spent in our well-equipped play yard with shaded areas, a wading pool, sandbox, climbing structures, swings, and lots of room to run around. We strive to provide a world where children can experience the wonder of childhood. Activities include swimming, art projects, circle games, field trips, special guests/shows, and story time. Within the rhythm of our day, a healthy morning snack is provided by the camp and children bring their lunches from home. (Mini campers must be out of diapers and toilet trained)

Swim Lessons are available each week on Tuesday and Thursday afternoons for an additional fee.
